# Safe

PAINTING SERVICE

# The safest way to a beautiful home.

This service is designed to deliver on two aspects: A beautiful looking home without compromising on the safety of your family and the painters involved. And experts who provide consultation about products and services and supervise the execution of the site. This is done by painters and contractors trained to provide the best finish. While maintaining safety protocols of the highest standard.

# Here's what our customers had to say about

## Asian Paints Safe Painting Services

**“A commendable job was done in refurbishing my home. Great precautionary measures were taken. The entire team was disciplined, cooperative, professional and hard- working, especially Mr. Raju. We were immensely satisfied with the Asian Paints Service and would recommend it to all our friends and relatives.”**

**““ Dr. T. Venkatesan, Bangalore**

**“The endless hours spent working and the professionalism shown was very impressive. The team worked with diligence, self motivation as well as dedication. Really appreciate such amazing and safe services delivered. Thank you, Asian Paints.”**

**““ Shubhendu Halder, Kolkata**

**“We want to thank you and your team for painting our house to perfection. It has been turned into a colorful space. The workers were extremely organized, friendly and very professional throughout the process. We are all very impressed with the service.”**

**““ Ishwarya Swaminathan, Chennai**

# OUR SERVICES

## **Interior & Exterior Painting**

Long lasting superior finish with 2200+ shades to choose from. Range of products from the house of Asian Paints, offering product warranty on select products

## **Wood Solution**
